What Is Digital Citizenship

Digital distractions are everywhere....

About **130 million hours** of videos are watched each week.

About **385 million** status updates are made each week.

About **6 billion** mobile subscriptions exist (90% of the world's population.)

The average user

watches 5 hours

of YouTube a month

That's about 240 hours

over a high school career.

The average user

accesses **40 times** a month

for **23 minutes** each time.

That's about 700 hours

over a high school career.

The average teenager
sends and receives about

3,300
texts
a month
