

RACISM

MADE BY KANJAK

WHAT IS RACISM?

- ❖ Racism means a person or a group of people who are judged by their skin colour , their nationality and religion.
- ❖ Its really sad to hear that racism still exist in 2022, people still get judge by their skin colour.

HOW RACISM EFFECTS EDUCATION?

- ❖ More than 100,000 secondary school students had huge mental health impacts because of racism.
- ❖ They experienced:
 - Anger
 - Depression
 - Feeling left out
 - Increased heart rate and trembling
 - Not wanting to go to school
 - Having no trust in anybody apart from family
- ❖ These impacts reduced student's ability to work or study, and to achieve their future goals.

HOW RACISM EFFECTS COMMUNITIES?

- ❖ When racial tensions develop, they don't just affect one or two of us, they affect us all. As neighbours, workmates and friends.
- ❖ Racism creates a society where people don't trust and respect each other.

HOW TO PREVENT RACISM?

- ❖ Don't laugh at racist jokes.
- ❖ Learn about other people and their culture.
- ❖ Think before you speak.
- ❖ Don't make assumptions.
- ❖ Work as an equal alongside others.

The background features a blue gradient with a starry pattern. On the right side, there are several technical diagrams, including a large circular gauge with a scale from 0 to 210 and a smaller circular diagram below it. Both diagrams have arrows indicating a clockwise direction. In the bottom left corner, there are faint, partially visible circular diagrams with arrows.
